

UNIVERSITY OF
MICHIGAN

2011-2012 Application for Freshman
Undergraduate Admissions

This application form is the correct one to use if you want to enroll in the 2012 academic year as a freshman. If you are applying for any other year, please contact the Office of Undergraduate Admissions. Applications for transfer, re-admit, and cross-campus transfer students can be found online at www.admissions.umich.edu.

The University of Michigan uses The Common Application exclusively. In order to be considered for freshman admission, the following items are required:

- Common Application First-Year Application
- University of Michigan First-Year Supplement
- Nonrefundable Application Fee of \$65 (\$75 for International Students) or Fee Waiver Request
- Secondary School Report
- Teacher Evaluation
- SAT or ACT with writing test scores (sent directly from the testing agency)
 - U-M SAT code is 1839
 - U-M ACT code is 2062
- Official high school transcript from all schools attended
- International School Supplement (if applicable)
- TOEFL, MELAB, or IELTS test scores (if applicable)
- Home School Supplement (if applicable)

Applications without these required materials received by the deadline date will be withdrawn as incomplete and will not be reviewed.

We strongly encourage you to fill out the online application at www.commonapp.org; alternatively, electronic submission of your application documents should be sent to ecredentials@umich.edu, or as a last resort by mail to:

**University of Michigan
Office of Undergraduate Admissions
1220 Student Activities Building
515 East Jefferson Street
Ann Arbor, MI 48109-1316**

You can check your status online once we have received your application by creating a friend account at <http://wolverineaccess.umich.edu>; however, keep in mind that it does take at least 2 weeks to process your application and other supporting documents. Items will not show up as “received” online until at least 2 weeks have passed. Learn more about how to check your status at www.admissions.umich.edu/appstatus.

Application Deadlines

Consideration to all units (schools/colleges) is made on a space available basis. **Applicants are strongly encouraged to apply early.**

Term	Deadline
Fall (Sept.-Dec.)	February 1*
Early Action	November 1
Winter (Jan.-May)	October 1
Spring Half (May-June)	February 1
Summer Half (June-Aug.)	February 1

*Application deadlines vary by school/college. Please review requirements by school/college later in this document.

For assistance in choosing which School or College is best for you, see the Office of Undergraduate Admissions website at www.admissions.umich.edu. Students must apply to a School or College and may only apply for a dual unit in the following programs:

- SMTD/Engineering
- SMTD/LSA
- Art/Engineering
- Art/RC
- Art/Kinesiology
- Art/LSA
- Art/SMTD
- Art/Nursing

FRESHMAN LEVEL UNITS

SCHOOL OF ART & DESIGN

www.art-design.umich.edu/prospective/undergraduate
734.764.0397

Students may apply for fall term only; Early Action is not applicable. A portfolio and arts recommendation are required. Mail your art teacher or art professional recommendation directly to: School of Art & Design, Art & Architecture Building, 2000 Bonisteel Boulevard, Ann Arbor, MI 48109-2069. Present your portfolio to the School of Art & Design for evaluation. Visit www.art-design.umich.edu/prospective/undergraduate for more information. Send the rest of your application materials to the Office of Undergraduate Admissions. Students admitted to the School of Art & Design are required to purchase a designated computer.

Degree Offered:

- BFA in Art & Design
- BA in Art & Design

COLLEGE OF ENGINEERING

www.engin.umich.edu
734.647.7000

Students may apply for fall term only.

Minimum Requirements:

To be considered for admission into the College of Engineering, you should complete these classes by the end of your senior year in high school:

- Four years of English
- Four years of science, including chemistry (required) and physics (strongly recommended)
- Four years of mathematics (calculus is strongly recommended)
- Three years of social science
- One unit of a pre-engineering subject, such as CAD, drafting, or computer-related technology (recommended)

- Two years of foreign language (recommended)
- One unit of computer science (recommended)

Areas of Interest:

- Aerospace Engineering
- Biomedical Engineering
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Computer Science
- Earth System Science and Engineering
- Electrical Engineering
- Engineering Physics
- Industrial and Operations Engineering
- Materials Science and Engineering
- Mechanical Engineering
- Naval Architecture and Marine Engineering
- Nuclear Engineering and Radiological Sciences

INTERARTS PERFORMANCE

www.art-design.umich.edu
www.music.umich.edu
734.764.0397

Students may apply for fall term only; application deadlines vary by the date of available auditions. Early Action is not applicable. A portfolio, audition and one music/arts recommendation are required. Mail your professional recommendation directly to: School of Art & Design, Art & Architecture Building, 2000 Bonisteel Boulevard, Ann Arbor, MI 48109-2069. Send the rest of your application materials to the Office of Undergraduate Admissions. Visit www.art-design.umich.edu/prospective/undergraduate and www.music.umich.edu/prospective_students/admissions/ug/admissions for more information. Students admitted to the School of Art & Design are required to purchase a designated computer.

SCHOOL OF KINESIOLOGY

www.kines.umich.edu
734.764.4472

Students may apply for fall and winter terms only. Athletic Training, Physical Education, and Sport Management programs require a secondary admission application prior to your sophomore or junior year. Preferred admission to Ross School of Business is an option for fall term freshman applicants to Sport Management only. Students who enter the Ross School of Business through regular admission may also apply to the Sport Management program. (Areas of Interest on following page)

School of Kinesiology Areas of Interest:

- Athletic Training
- Movement Science
- Physical Education with Teacher Certification
- Sport Management

COLLEGE OF LITERATURE, SCIENCE, AND THE ARTS (LSA)

www.lsa.umich.edu

LSA students admitted via Early Action will receive priority consideration for LSA scholarships. Scholarships still available after January will be awarded on an ongoing basis. For more information on LSA scholarships, please see www.lsa.umich.edu/students/scholarships.

Minimum Requirements:

To be considered for admission into LSA, you should complete these classes by the end of your senior year in high school:

- Four years of English
- Three years of science, including biology
- Three years of mathematics
- Three years of history and/or social science
- Two years of the same foreign language
- Three years of other academic subjects

Students may also consider the **Residential College (RC)**, a four-year program within LSA featuring small classes, close contact with faculty and staff, highly regarded foreign language training, and a cross-disciplinary curriculum. The RC offers the advantages of a small college coupled with all the resources of a big university. Visit www.rc.lsa.umich.edu for more information.

Areas of Interest:

- Actuarial and Financial Mathematics
- Afroamerican and African Studies
- American Culture
- Ancient Civilizations and Biblical Studies

RESIDENTIAL COLLEGE (LSA)

www.rc.lsa.umich.edu

734.763.0176

The Residential College (RC) is a four-year liberal arts program within LSA, featuring small classes, close contact with faculty and staff, highly regarded foreign language training, and a cross-disciplinary curriculum. RC students enjoy the best of both worlds: they pursue academic study in a wide range of LSA programs and departments, while remaining grounded in a close-knit learning community in East Quadrangle on central campus. The admissions requirements, application procedures and deadlines for RC are the same as LSA. RC students can pursue a dual degree with the School of Art & Design. Interested students should consult the RC website for more information.

Areas of Interest:

- Any of the areas of interest in LSA (above)
- Arts and Ideas in the Humanities
- Creative Writing and Literature
- Social Theory and Practice
- Crime and Justice
- Drama
- Peace and Social Justice
- Science, Technology, and Society
- Urban Studies
